Photo Breakdown

1 – 2 photos per room

All homes are different, this is just our starting point. Some homes need a few extra photos to capture the scope of the kitchen, a massive living room, or to show off beautiful cathedral ceilings. If we take a few extra usable images beyond the quoted package, then you get those too.

1,701 ft² - 2,300 ft² (\$230)

Up to 30 edited interior and exterior photos
*** Add 2 exterior drone photos for \$50

3,000 ft² and up (Call for pricing)

Up to 50 edited interior and exterior photos
*** Add 6 exterior drone photos for \$150

A few points to know

Photos are the first impression of your listing.

We will work with anyone selling a home, be it agent or home owner.

We will represent the home in a true color-correct manner.

We will use HDR when it's needed, but a lot of the time good lighting and professional editing is all you need.

We don't stage houses or rooms.

We don't do virtual staging.

We don't clean.
